

What is the purpose of this Policy?

Zircosil Brasil Ltda is concerned with your privacy and consequently protects your personal data. We collect your personal data to enable the development of our activities and, specially, to maintain a good relationship with you. We are aware that, when collecting them, they are under our responsibility. Precisely for this reason, we have developed this Policy to inform you how your personal data is treated and to ensure the transparency of all the actions we take.

We hereby point out that if you do not have the time to read this Policy in full, or if you have any questions, you can contact us by email: privacidade@zircosil.com.br

When using our website and/or providing your personal data, we consider that you understood the terms of this Policy.

What are the abbreviations you need to comprehend?

We have developed this Policy in easy and objective language so that the message reaches the main recipient: you!

But still, we need you to understand some terms:

- **We/Us:** whenever we use the expression “we” and its variations we are referring to the company that owns the website you are using;
- **Personal data:** it is all the information related to you, both information that quickly allows you to identify yourself (such as name, e-mail or identity), and that which indirectly allows you to identify yourself (such as address and IP protocol).
- **Processing of personal data:** whenever we use this expression and its variations, we are referring to any and all actions that can be performed with your personal data (for example: collection, processing, dissemination, access, storage, among others).
- **Goal:** it is the purpose for which we use your personal data; the purpose of collecting and processing personal data.
- **LGPD:** abbreviation of the General Data Protection Law - legislation that guides and conducts all of our actions while we process your personal data.
- **Legal Basis:** are the hypotheses for the treatment of personal data to be justified, according to the LGPD.

visiting / using the *site*

Perform marketing and advertising actions, based on the analysis of which of our products may interest you; **provide** content and / or services customized according to your profile and characteristics; **personalize** your experience while using our website; and **maintain** and, in some cases (read the section "with whom we share your personal data") **share**, analytical and statistical data on visits and the characteristics of visitors to our website so that the results of our interaction with you are quantified and monitored.

In addition to the purposes specified above, we would like to inform you that we process your personal data using the following legal bases of LGPD:

- a. **Legitimate interest** - when we conclude that there is significant interest in the treatment of your personal data for the development of our activities, provided that this treatment generates some type of benefit for you or if you have already interacted with us at another moment.
- b. **Consent** - when you expressly authorize, in a free and spontaneous manner, that your data be treated for a specific purpose and clearly informed when the consent is collected; remember that it is possible to withdraw consent whenever you wish.
- c. **Compliance with legal obligation** - when we process your data because Law thus obliges us;
- d. **Contract enforcement** - when we have a contract with you.

How long do we store your personal data?

We store your personal data until the purpose (information in the item above) for which it was collected is achieved. After the purpose is achieved, the personal data will be deleted. However, at any time you can request the deletion of personal data, especially in cases where a) you decide to revoke the consent you have given us; b) you consider that unnecessary or excessive personal data is processed; c) you consider that we have not complied with the provisions of the LGPD.

Whenever you request the deletion of personal data, we will do our best to comply with your request. However, in some circumstances personal data will not be deleted, especially in cases where personal data is treated because the law itself requires us to do so (eg if you request the removal of the IP address within 6 months after the visitation of our website, we will not be able to eliminate it because the Law requires us to store it for 6 months).

What measures do we use to ensure the security of your personal data?

We understand that from the moment we collect your personal data, we are fully responsible for treating and storing it in accordance with strict **cyber security** protocols. The actions we take to keep your data safe include: a) protection against unauthorized access; b) restricted access only to employees, suppliers

and partners who really need to access them due to the functions they perform; c) contractual requirement that all our employees, suppliers and partners have the knowledge and adequate level of data protection and act in accordance with the LGPD; d) Information Privacy Program; e) frequent security checks (including tests against hacker intrusions) on our internal storage systems; f) complementary technical measures and automated security controls, based on the best information security practices, following ISO27001 / 27701, NIST and OWASP standards.
